# Community Use of PA Facilities Description Template

A description must include specific details describing how the school completed the criteria. If you are writing a description for criteria that the school achieved in previous years please include a description of what the school is doing **this year** to maintain that level not what they did in previous years.

A Gold Medal Schools description does not require an Intent, Rationale, Reinforcement or the principal's signature. Use this template to write your description (all information is required).

A sample description for this criterion is provided on the next page.

## **The description must include...**

- ☐ A statement that students and the community are allowed to use the school's facilities and equipment
- ☐ A list of what facilities they are allowed to use

Green Meadow Elementary allows students and community members to use their outdoor physical activity facilities such as the GMM track, softball fields, soccer fields, and the big toy before and after school. The community will also be able to use the gym for competitive basketball games on Saturdays from 7 AM to 4 PM. When community sports contact the school about using facilities for extra-curricular activities, the school will allow it when appropriate.
